On 06\textsuperscript{th}-09\textsuperscript{th} April 2015, COMFREL conducted a Training and Testing Workshop with 25 participants (8 female), all youth at Youth Resource Development Program’s (YRDP) office. The main purpose was to test the first vision of the platform on usability and functionalities and to get feedback from youth groups, to create a campaign guideline and work plan for the next phase. In terms of results from 4-day workshop, the platform identity was finalized including the website’s name: “Youth’s Voice”, four colours in layout website including white, orange, blue and green were chosen, and the slogan: “Together for Change” and the URL: www.yvkhmer.org. In addition, we assisted the youths to create their campaign.
