Program 5: Organizational Capacity Development Program
To create an opportunity for people to learn about the principles of democracy and genuine elections and to discuss the recommendations regarding genuine elections, at least seven debates were organized on the topic of “Principles of Democracy and Genuine Elections” in seven provinces including Battambong, Kandal, Siem Reap, Banteay Meachey, Kompong, Kampong Chnang, and Kampong Cham province. The debates were attended by 460 participants (230 female) ranging from university students, CSOs, to farmers and community people. To find the participants for the debates, COMFREL cooperated with other CSOs including PDP, YRDP, ADHOC, CPO, CEDAW, CWCD, Khmer Kampuchea Krom (KKK), AEC, KYA and the communities. The participants learned more about the principle of democracy and genuine elections and also understood their role in a democratic society. There were 125 recommendations regarding elections collected from the participants. These debates were videotaped for VOC radio programming.
365 (227 live and 138 rebroadcast) sessions of “VOC” radio programs were hosted with a total of 431 speakers (24% female), facilitating outreach and public awareness on a multitude of issues. Also, 383 people (4.17% female) called into the program to express opinions, make requests, and direct questions to the speakers.

In addition to radio programming, COMFREL has a Facebook page to disseminate information regarding society, politics, and economics. There were 4,736 articles on democracy, elections, and good governance released, 8 press releases and 21 video animation spots (4 videos regarding gender equality produced and uploaded on COMFREL’s Facebook page. 21 Video animation spots got 165,491 views, 10,785 likes, 3,502 shares and 340 comments. At least 62 articles were written about COMFREL’s work by media including RFA, VOA, and VOD News. There were 37,079 page views of COMFREL’s website www.COMFREL.org, and 2,171 page views of COMFREL’s Election Campaign Website “CVV”. COMFREL’s Facebook page reached 27,186 ‘likes’. 52 electoral digest segments were released to its network through the mailing list. COMFREL also produced at least 7 video clips on “Principle of Democracy and
Genuine Elections”.

At least 8 online surveys were conducted through COMFREL Facebook page to assess the quality of its radio program, satisfaction on COMFREL video animation, the importance of radio program, the importance of women’s participation in politics and decision-making level, demanding the restoration of pluralistic democracy in Cambodia today, and demanding the restoration of a free and fair election in Cambodia. These online surveys were responded to by 1,911 people/accounts that provided answers to the questions.
