## ANNOUNCEMENT

In a wider prospect of more participations in the upcoming third commune councils election scheduled on 03 June 2012, the Committee for Free and Fair Elections in Cambodia – COMFREL would like to call for the participations from diverse non-government organizations/associations/unions and university students to take part in election processes as volunteer observers, especially during the election and counting days.

With the appreciated experiences in facilitating over 1000 volunteer observers from NGOs/CBOs/associations in the fourth legislative elections in 2008, COMFREL is confident and committed to achieve another vital mission to enhance the democratic process through joining election observation with interested NGOs/associations one more time in this 2012.

To reach this goal, COMFREL will provide cooperation and facilitation for this volunteer observation by assisting the requesting of election observer accreditation cards from the National Election Committee, and by the organization of skill training on election observation, reporting and submission. An observer kit will also be given to the volunteers..

In this regard, COMFREL would like to invite heads or representatives of NGOs/CBOs/associations and students to form a list of colleagues /staffs who are interested in observing this upcoming election. The list should be sent to COMFREL before 14 May 2012 via:

1. Mr. SREY Sopheak, Tel: 012 998 364 or email: [sopheaks@comfrel.org](mailto:sopheaks@comfrel.org) for NGOs/associations based in Phnom Penh;
